

REMARKS/ARGUMENTS

Prior to payment of the filing fees, please enter the above amendment. The amendments to the specification and claims are editorial in nature. The new claim is fully supported in the specification and claims as originally filed.

In particular, the amendments to paragraphs [0052], [0056], and [0095] of the specification are made to correct a typographical error. According to the applicants, there is no sequence in GenBank registered with the accession number "NM_00438." However, when a search was conducted by the applicants in GenBank by using the keyword "CREBL1," the accession number "NM-004381" was found.

The amendment to paragraphs [0052] and [0054] of the specification are to correct a typographical error. The description in Example 2, line 10, shows the correct accession number of SHC3 registered in GenBank as "NM_016848." In addition, according to the applicants, there is no sequence in GenBank registered with the accession number "NM_06848." However, when a search was conducted by the applicants in GenBank by using the keyword "SHC3," the accession number "NM-016848" was found.

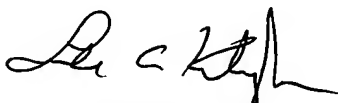

The remaining amendments to the specification also correct obvious typographical errors.

No questions of new matter are raised by the above amendments as they are fully supported by the present application. Entry of the above amendment is therefore respectfully requested.

If there are any fees due in connection with the filing of this Preliminary Amendment, please charge the fees to Deposit Account No. 50-0925. If a fee is required for an extension of time under 37 C.F.R. §1.136 not accounted for above, such extension is requested and should also be charged to our Deposit Account.

Preliminary Amendment
U.S. Patent Application No. Unassigned

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'L. A. Kilyk', with a stylized flourish at the end.

Luke A. Kilyk
